PURPOSE:

To approve the appointment of an ad hoc committee to explore adoption of a nuisance abatement ordinance for the City of Clarkston

NEED/ IMPACT:

There exists within the city limits of Clarkston, several dwellings, buildings or structures which are unfit for human habitation or use and which are not in compliance with applicable state minimum standard codes. The current Clarkston property maintenance ordinances are limited in their scope and ability to ameliorate these undesirable conditions.

Therefore, as Mayor, I will be appointing an ad hoc committee consisting of no less than 2 and no more than 3 current members of the City Council. The charge of the ad hoc committee will be to work with the City Manager and the City Attorney to research and draft a proposed Nuisance Abatement ordinance for presentation and consideration by the City Council.

Furthermore, it is my expectation that a draft ordinance be presented to the City Council for review in advance of the April Work Session.

RECOMMENDATIONS:

No staff recommendation.
