Cloth Grocery Bags Proposal

Cloth Grocery Bag Proposal

\$2150 (proposed)

1. Proposal is for 1000 natural fiber bags with City of Clarkston Logo delivered.
2. Bag cost is \$1.89 per bag with logo. Shipping is extra.
3. Synthetic fiber available for less but there is benefit with regards to acceptance and press to using natural fiber.
4. Scalable up or down.
5. Reduce the number of plastic bags used in Clarkston.
6. Passively and positively teach the use of a reusable bag.
7. Include a card in different Languages?
8. Excellent positive "green" press for the city.
9. Have Thrift Town and other businesses give them to citizens at no cost?
10. Develop a "reward" program for citizen use?
11. Brands the city logo in a "green" and positive way.
12. Possible opportunity to expand the concept at a future date and have local residents produce bags for city use as well as for sale to other communities.

Data released by the United States Environmental Protection Agency shows that somewhere between 500 billion and a trillion plastic bags are consumed worldwide each year.

National Geographic News September 2, 2003

Less than 1% of bags are recycled.
It cost more to recycle a bag than
to produce a new one.

- Christian Science Monitor News Paper

If we use a cloth bag,
we can save 6 bags a week

If just **1 out of 5** people in our country did this
we would save
1,330,560,000,000 bags
over our life time
