## **RESPONSE TO QUESTIONS**

The following are responses (in red) to questions received from prospective bidders:

**Question #1:** Do certified Small Businesses Enterprises qualify and count toward the 12% DBE requirement for this RFP response?

**Response:** No. The RFP requires 12% DBE participation. Although the inclusion of certified SBE businesses are welcome, it may not serve as a substitute for the 12% DBE requirement.

**Question #2:** Besides the goal of being as brief as possible, is there a page limit max for the RFP response?

**Response:** No. There is not a page limit for the RFP response but brevity and conciseness are appreciated.

**Question #3:** Does the City work with or have any joint agreements with the Forty Oaks Nature Preserve?

**Response:** No. Although that space has been and is currently being utilized by Global Growers for community gardening purposes, no formal agreements exist.
