### **RE: REQUEST FOR PROPOSAL ZONING ORDINANCE REWRITE**

This letter serves as notification of the City's decision to cancel the Request for Proposal: Zoning Ordinance Rewrite. The City has determined that it would be in its best interest to cancel all activities related to this RFP.

We have a great interest in rewriting our Zoning Ordinance and plan to consider a more focused effort that will include making sure we maintain a safe and healthy environment for all, while achieving our goal in the near future.

We appreciate the time and effort of all participants that have submitted a response to this solicitation and apologize for any inconveniences this decision may cause. The RFQ will be advertised at a later date to be determined by the City.

Thank you for your interest in doing business with the City of Clarkston.

Sincerely,

*Shawanna N. Zawiy*
