PURPOSE:

To approve the 2018 Local Maintenance Improvement Grant (LMIG) application submittal to the Georgia Department of Transportation.

NEED/ IMPACT:

Each year, Georgia cities and counties have the opportunity to submit applications to GDOT to receive funds earmarked for transportation and infrastructure improvement. Successful applications require a commitment of the governing authority to match the LMIG funds, successful implementation of previous LMIG projects and appropriateness of the proposed project.

The grant amount is determined by a formula that considers a community's population and total centerline mileage in July of the previous calendar year. Based upon this formula, Clarkston's allocation for 2018 will be \$84,118.28.

RECOMMENDATIONS:

Staff recommends the City Council approve the submittal of the 2018 LMIG application to the Georgia Department of Transportation.
