BUDGET OVERVIEW

October 31, 2023

Council Member Yterenickia Bell
Council Member James Carroll
Council Member Susan Hood

Council Member Debra Johnson

Dear Mayor and City Council Members:

Presented in this document is the Preliminary FY 2024 City of Clarkston Fiscal Budget for all funds. This preliminary budget was compiled with input and assistance from each city department, the mayor and city council members. The proposed preliminary budget is balanced with revenues equaling expenditures, pursuant to Georgia State Code.

The total proposed FY 2024 Expenditure Budget for all funds is **\$15,883,249**. The total proposed FY 2024 Revenue Budget for all funds is **\$15,833,249**. Both the Expenditure and Revenue estimates represent a 28% increase of \$3,475,792 compared to the FY 2023 amended budget amount of \$12,357,457. The primary reason for this budget variance is due to projected increases in revenues for the General Fund, SPLOST Fund, and Grants Funds expected in FY 2024.

The proposed FY 2024 General Fund Operating Budget of **\$9,224,065** represents a \$1,707,185 (22.7%) increase as compared to the FY 2023 amended budget amount of \$7,516,880. The anticipated increases in revenues are from property tax, insurance premium tax, occupational tax and franchise tax. We are also beginning a review in early 2024 of all city fees for services to create a comprehensive fee schedule of all fees and services with anticipated increases in fees to implemented sometime in FY 2024.

The initial stages of the 2024 Budget Process have commenced. The attached document encompasses what we have heard thus far allowing amendments and additional considerations along the way. Copies of the 2024 Budget will be made available to the public electronically on the City of Clarkston website. Hard copies of the proposed budget will be available for review at the Clarkston Public Library as well as onsite at the Clarkston City Hall Annex.

The Public Hearings to receive comments on the 2024 Proposed Budget will be held Tuesday, November 28, 2023, and December 5, 2023. Adoption of the 2024 Budget is scheduled to occur during the Regular Council Meeting held on December 5, 2023.

To allow for a more interactive process and to provide for direct input on budget items, you each scheduled meetings with the City Manager during the 2024 Budget Pre-construction process. City management contacted each elected official to facilitate one-on-one meetings the week of October 16-20th. 2023.

Meetings with the City Manager and the Mayor and City Council, to review the final proposed budget, are scheduled for November 14th-16th 2023. City management will contact each elected official to facilitate scheduling these meetings, during which each Council Member will receive an overview of the 2024 budget final recommendations. City management will also address any questions or concerns regarding the Final 2024 Budget either during or after the briefing sessions.

As you review the preliminary budget, please share any follow up questions that you have. I appreciate your direction and support as we collectively work towards delivering our community the resources, services and leadership that allows us the comforts of home.

Respectfully,

Tammi Saddler Jones
Interim City Manager

ADMINISTRATION 5.0 Full-Time Equivalents (FTE) to 9(FTE)

STAFF: City Manager, City Clerk, Finance Director, Accountant, Administrative Coordinator

New Positions in 2024: Asst City Manager for ½ year, Asst City Clerk, HR/Risk Management Position ½ year, Special Events Coordinator

Total expenditures in the Administration Department have increased from \$1,283,225 in FY 2023 to **\$1,787,439**, an increase of \$504,214 proposed for FY 2024. The Administration Department budget represents 19.3% of the total General Fund Budget.

Group Health Insurance premium costs for the City increased by 38% for FY 2024 compared to a 22.70% increase in FY2023. The overall Group Health Insurance budget for 2022 was \$462,733 and increased by 37.5% to \$636,384 for FY2024. Health Insurance premium costs represent 6.9% of total General Fund Operating expenditures compared to 7.2% in 2023. Overall increase in Group Health is due to new positions to be added in FY2024.

The City of Clarkston Defined Benefit Retirement Plan contribution costs increased overall by 7.6% from FY2023, \$498,248 to \$550,356 in FY 2024. The pension contribution cost as a percentage of gross salaries decreased by 3% from 17.5% to 14.5% of salaries in FY2024. Total Retirement Contributions for FY 2024 represent 6.0% of total General Fund Operating expenditures.

We have budgeted two new vehicles in the Administration Capital budget for a new City Manager vehicle and a vehicle to shared with other staff as needed for work purposes such as event planning, attending trainings, etc. The current city manager vehicle will be reassigned to the Planning & Development department to be used for an additional code enforcement officer,

POLICE – 22.6 FTE

STAFF: Police Chief, Assistant Police Chief, Captain DEA Task Force, Lt- Uniform Patrol, (4) Sergeants for Patrol, (9) Patrol Officers, (3) CID Staff, (1) Sergeant/State Certification, (1) TAC Records Clerk

New Staff: 1 Part-time TAC Records Clerk

Expenditures in the Police Department are budgeted at **\$3,028,183** for FY 2024 compared to \$2,643,926 in FY 2023 representing an overall increase of \$384,257 or 14.5% from FY 2023. This increase is primarily due to significant pay increases implemented in the latter half of FY2023. The Police department budget for FY 2023 represents 32.8% of the total General Fund budget.

For FY 2024, the Clarkston Police Department authorized, and funded staffing level is recommended at 22 approved full time police personnel and 1 part time position, with 6 positions unfunded for 2024. After the 2015 annexation, staffing levels were increased to a total of 27 approved police positions. This FY 2024 budget includes a total of six (6) unfunded positions during the year.

Full-time personnel is a Police Chief responsible for the management of the department, an Assistant Chief who commands the operational uniform and criminal investigations divisions, one (1) Sergeant who serves as the department's accreditation and state certification manager and will also serve as the department's training officer to insure all personnel meet P.O.S.T certification

requirements and (1) Captain that is currently assigned to a DEA Task force, one (1) Lieutenant who serves as the uniform patrol commander, three (3) detectives, and nine (9) patrol officers, four (4) Sergeants for patrol, and the new positions of a TAC records clerk.

The recruitment of qualified and desirable candidates to fill the Patrol Officer positions has increased compared to previous years. There has been a reduction in the number of qualified individuals choosing law enforcement as a profession. Consequently, competition to attract and employ qualified candidates has increased.

Significant efforts were taken over the past few months to increase base pay for Police Officers to be able to compete in the local employment market after several years of not being competitive with other municipalities in the region.

MUNICIPAL COURT – 3.0 FTE

STAFF: Chief Court Clerk, (1) Court Clerk, Records Clerk

Expenditures in Municipal Court department are budgeted at **\$469,095** for FY 2024 compared to \$448,668 in FY2023 representing an overall increase of \$20,427 from FY 2023. The Municipal Court budget for FY 2024 represents 5.1% of the total General Fund budget. Within our efforts to secure more police officer, overall fines revenues are expected to begin to increase slightly in FY2024.

PUBLIC WORKS/BUILDING & GROUNDS/ PARKS 12.6 FTE

STAFF: Public Works Director, Public Works Manager, (4) Laborers, (2) Equipment Operators, (1) CDL Drivers, (2) Crew Leaders

New Staff: Park/Pool Attendant Full Time

The FY2024 operating budget for Public Works, Building & Grounds and Parks is **\$2,053,149 versus \$1,512,154**, in FY 202 and represents 39.1% of the total General Fund Expenditures budget. We have also budgeted the following capital expenditure items for Public Works in FY 2024 to include two (1) new Ford F-150 crew cab pickup trucks (\$53,500) to replace a 2014 model.

We have also included \$390,000 in the Buildings & Grounds Budget for potentially leasing new space for all our offices with the City. We have also budgeted \$50,000 in capital expenditures for new office furniture and fixtures that will be needed for new staff being hired in 2024.

Public Works staff continue to ensure the maintenance and care of the City's rights-of-way including streets, sidewalks, and small passive pocket-park areas, as well as our active (Milam) and passive (Friendship Forest and 40 Oaks Nature Preserve) parks. Staff performs a variety of maintenance, beautification, and improvement work including all mowing/weeding including the CSX right-of-way throughout our city limits, tree trimming/removal (parts are contracted out), trash/debris abatement and removal (from rights-of-ways and all City properties), and all other beautification maintenance as needed. Staff are housed out of the Public Works complex located at 3620 Montreal Creek Court.

PLANNING/ECONOMIC & DEVELOPMENT – 5.0 FTE

STAFF: Planning/Economic Development Manager, City Engineer, Code Compliance Officer, Economic Development Coordinator

New Staff: Permits Clerk

The Planning/Economic and Development department is responsible for all zoning, plan review, building inspection and permitting functions. The Planning & Development Manager has been assigned to manage the activities of our technical consultants associated with these activities in addition to providing technical assistance to the Planning and Zoning Board, Mayor and City Council, and the City Manager. Professional fees for zoning, planning, and building inspection services are currently budgeted in this department. The City has added a new City Engineer position for FY2023 to assist the city and department with development reviews and project management for existing and new or future development projects to come into the city. This position was never filled in FY2023, but will be filled in FY2024. We have added a new dedicated Permits Clerk to assist customers with permits and provide backup for the Receptionist/Administrative Coordinator.

Effective code enforcement will continue to be critical to the future success of Clarkston's economic development efforts. Given the age of many of our commercial, retail, and multi-family dwellings, the City will continue to focus on addressing property maintenance issues that continue to persist. Therefore, for FY 2024, the city will continue to provide code enforcement services utilizing two full-time staff person employed directly by the City of Clarkston. Additionally, the City will continue to contract with a third-party vendor to assist staff with providing construction plan review and additional after hours compliance enforcement (by the police department).

The recommended FY2024 budget for Planning and Development is **\$781,350** versus the amended FY2023 budget of \$466,433, an increase of \$314,917 primarily due to the addition of the City Engineer position and Permits Clerks. The FY 2023 Planning and Economic Development budget represents 8.5% of the total General Fund Expenditures budget.

Community Action Projects

The City of Clarkston believes that it is important to support programs and projects that enhance the quality of life for all residents. Therefore, in FY 2024, this budget appropriates \$158,000 to support the following Community Action Projects:

- Urban Agriculture and Environment - \$10,000
- Senior Programs - \$5,000
- Public Arts Programs - Crosswalks \$10,000
- Health Advisory Task Force - \$2,000
- Early Learning Task Force \$5,000
- Youth Advisory Task Force \$5,000
- Recreation Programs - \$10,000
- Clarkston Culture Fest Event - \$3,500
- Clarkston Community Center - \$20,000
- Clarkston Special Events - \$50,000
- CDF-Tell Me A Story - \$7,000
- Business & Economic Development \$30,500

Debt Service

The City anticipates the need to obtain a TAN, (Tax Anticipation Note) in FY 2024 as bridge funding until property tax revenues are received during the 4th quarter of 2024, in the amount of \$700,000-\$800,000. Due to the significant increase to the budget related to Salaries & Benefits and Building Rental in FY2024, a TAN may be necessary even though the City did not have to borrow in FY2023. The estimated interest and loan origination fees amount is \$15,000 and has been included in the FY 2024 budget.

The FY 2024 General Fund appropriation for Debt Service is **\$672,000** compared to \$754,568 budgeted in FY 2023. Debt Service Payments represent 7.3% of total general fund expenditures. The decrease in the Debt Service budget is due to a capital lease for ten police vehicles being paid off in early 2024.

SPLOST Fund

The first SPLOST referendum was approved by the voters on November 7, 2017, and collections started in March 2018 and expire on March 31, 2024. The SPLOST II referendum is only the ballot for November 7, 2023. Expected SPLOST tax proceeds for FY2024 are estimated at **\$3,386,884**. In FY 2020, the City secured a SPLOST bond in the amount of \$7,282,000 with the principal and interest payments to be paid from SPLOST tax proceeds over the next two (2) years.

The SPLOST Fund expenditures budget for FY 2023 totals **\$3,386,984** and includes payment of bond principal in the amount of **\$2,244,000** and interest payments (on both bond issues) of **\$19,523** to be paid from the SPLOST tax revenues received. SPLOST construction projects for FY2024 are expected to be **\$1,123,461** to close out the 2017 SPLOST projects funded under the 2017 referendum and will be funded by the SPLOST bond proceeds and SPLOST tax revenues received.

Storm Water Utility Fund

Storm Water Utility Revenue is expected to be \$332,863 for FY 2024. The City will continue to address storm water maintenance issues throughout the City and implement the City's Storm Water Management Plan as required by the Georgia Environmental Protection Division. The City had a test conducted on a sample of parcels in the City and determined there were some serious errors in ERU calculations on several parcel. The city will be conducting an audit of all Stormwater ERU calculations for all parcels in the City during 2024 which will help determine if we will receive additional Stormwater in 2024. The City has also allocated \$107,650 in salaries and payroll taxes to the Stormwater Fund from the Public Works department to cover the staff time spent during the late winter/early spring do annual stormwater maintenance and clearance of all storm water structures. Total Storm Water Fund Expenditures in FY 2024 are budgeted at **\$332,863**.

Rebuild garage located in the police dept. parking lot \$44,000

Split Budget 50/50 between General Fund and Federal Seizures Fund

The garage located in the police parking lot is in dire need of being rebuilt to meet State Certification compliance. One of the standards is to have a secure place to keep large items, for example bicycles, lawn mowers and vehicles. I received a quote from Mike Leach to bring the garage into compliance with State Cert.
