## • **City of Clarkston City Operations – LATEST UPDATE \***

(Clarkston, GA)— In response to help prevent the spread of the current Coronavirus Disease 2019 (COVID-19), the City of Clarkston reminds everyone to consider options and practices that promote good health such as:

- **Wash hands often with soap and water for at least 20 seconds**
- **Avoid touching your eyes, nose, and mouth**
- **Clean and disinfect frequently touched objects and surfaces**
- **Maintain prudent social distance (such as 5-6 feet) from others when possible**
- **Avoid close contact, congregate settings, and mass gatherings**
- **Stay home when you are sick, except to get medical help**

All of us together must make every effort to ensure our health and well-being and heed the various advice disseminated from our medical professional community, the Centers for Disease Control, and our Federal, State, and local government partners. Our City continues to monitor the situations and will continue to provide essential City services while minimizing risk to all residents.

The Clarkston City Council adopted a Resolution that took effect on March 19 at 12:01 am and will expire on March 31, 2020, at 11:59 pm, **prohibiting the gatherings of 10 or more people, prohibiting in-person dining at restaurants, and establishing regulations for take-out or delivery of food.** That Resolution will be reviewed prior to its expiration to determine the next steps and processes.
