

Resolution in support of more plant options on food menu
Sponsored by AWET EYASU

WHEREAS, food is a fundamental necessity for survival of human beings.

WHEREAS, plants constitute the bulk of food for sustenance of healthy communities all over the world.

WHEREAS, Clarkston is home to diverse communities who come from over 50 nations and striving to continue their culinary heritage.

WHEREAS, Clarkston is committed to building a welcoming and neighborly community.

WHEREAS, the City of Clarkston has been actively supporting more urban agriculture and community gardens at local parks.

WHEREAS, more vegetarian and plant options also can be good for business by attracting more consumers to businesses.

NOW, THEREFORE, BE IT RESOLVED that the Clarkston City Council strongly encourages residents and food vending businesses to incorporate more plant options on their menu.

NOW, THEREFORE, BE IT FURTHER RESOLVED that all City sponsored events must include more plant and vegetarian options.

SO RESOLVED, this _____ day of _____, 2021.
