OWNER: CITY of CLARKSTON
Clarkston, GA 30021

PROJECT: Safe Streets for All (SS4A) Consulting Services

DATE: May 20, 2025

The City makes the following changes, additions, deletions, information, and/or clarifications and shall take precedence over the originally published bid documents for the above-named project and shall become a part of the contract documents. Bidders must acknowledge receipt of this addendum by indicating receipt on the Addendum Acknowledgement Form.

See responses to BidNet questions received and published.

1. The items in Scope of Work, Contractor Obligation, Deliverables have a great deal of overlap. Will the City allow the proposer to develop a Project Scope of Services organized by Task (Project Management, Outreach, Baseline Conditions, etc.) comprised of these elements to develop their approach, schedule, and cost estimates?
 - a. Yes, provided that the proposer’s tasks (PM, Outreach, Baseline Conditions, etc.) include and address ALL the categories listed in RFP; Leadership Commitment, Planning Structure, Safety Analysis, Engagement & Collaboration, Outreach & Stakeholder, Policy and Process Changes, etc. The consultant’s Task Titles are discretionary but all the Project Scope (Categories) that are included in the RFP, as mentioned herein, must be identified (by name).
2. There is a statement that reads “Given the significant number of languages spoken in the City, the City will require that the draft and final reports be translated into six (6) languages.” Does this apply to the draft and final SS4A Plan or just the outreach materials? If it does apply to the SS4A Plan, is it anticipated that 180 copies will be printed.
 - a. Draft and Final Report and ALL outreach materials (including public meetings) must be translated into six (6) languages
3. What level of detail is anticipated in the ADA analysis?
 - a. The ADA analysis shall be removed from the scope of work for this RFP
